Student Survey (STU)

About This Survey

The Student Survey (STU) is a valuable tool designed specifically for students in grades 6-12, offering them a unique opportunity to share their insights and perspectives on their educational journey. This survey empowers students to provide intentional feedback, illuminating their school experience, and ultimately contributing to the enhancement of their educational environment.

Distribution

The school is provided separate survey links to distribute to the students based on their academic division (MS, HS, etc).

Report Focus

Our survey report is designed to capture valuable insights from students in grades 6-12. We cover a wide spectrum of their educational experience, including school atmosphere, policies, relationships, spiritual atmosphere, character development, student life, academics, and the factors influencing their enrollment choices. To ensure precision, students rate each question on a scale of 1 to 5. Additionally, we've included three open-ended questions for qualitative feedback. Please note that we offer the flexibility to modify or rephrase any question as needed to better suit your specific educational context, at no additional cost.

Pricing

Our pricing is structured as follows: a per-student rate of \$4.30, accompanied by a one-time set-up fee of \$100. If you require additional questions, they can be added at a rate of \$55 per question.
